PRESENTATION & SESSION GUIDELINES

1. Session Type: Snapshot Session

Thirty minute interactive breakout session. This session type allows the presenters to get information to the audience in a quicker format than a full breakout session. These sessions do work better if presenters present 20 minutes with 10 minutes of Q&A.

2. E-ATP prefers that all speakers use the conference PowerPoint template provided via e-mail to ensure consistent and professional presentations throughout the conference. The template will be sent to all speakers via email mid-July.

3. **Presentations that focus on the commercial intent of a product or a service are not permitted.**

4. Please send your presentation to eatpspeakers@designingevents.com by 5 September 2019. If you make changes to your presentation after the deadline and prior to the conference, please bring the most recent version with you onsite saved to a USB flash drive. Please drop off presentations to the Designing Events staff at the registration desk upon arrival.

5. **E-ATP does *not* provide a laptop for the session and requests that you please bring your own with all presentation slides saved to one presentation laptop.** Please coordinate with other speakers if your session has been combined with others.

6. There will be time to test your presentation prior to the start of the session and within the session room assigned.

7. E-ATP will be providing all presentations to conference attendees electronically during or after the conference. E-ATP will not be providing handouts for each session. If you wish to have handouts for your session, you are welcome to provide them. Please come prepared with 75 copies of your handouts for each session.

Thank you in advance for understanding and adhering to these guidelines to ensure a successful conference for all! We look forward to a successful conference!
