E-ATP 2022 Call for Papers Instructions
11 - 13 October 2022
Submit Your Presentation Now!

Be a part of the largest assessment-focused community event in Europe, at the 2022 E-ATP Conference. This year's theme is: *E-ATP: the European Home of Assessment*.

Assessment is transforming, we're all on a mission to build authentic and equitable testing experiences. Our community is constantly innovating with technology, policy, and practice, this event is your opportunity to share and learn from each other.

So, if you're ready to tell your story, join us and submit a presentation for the 2022 E-ATP conference, October 11 - 13 in London and online.

Submit today for the 2022 E-ATP Hybrid Conference. The 2022 conference will be hybrid. This means we will offer attendance via in-person or virtually along with speaking opportunities. *The in-person conference will be held in London, England at the Radisson Blu Edwardian Heathrow.* During the submission process you will be asked questions about how you would prefer to present for the 2022 conference depending on session type you are submitting.

E-ATP Conference topics will include:
- *Transforming:* All aspects of transforming the assessment process, from paper to digital, centre to remote, micro-credentials, and more.

- *Candidate:* Understanding the new expectations of candidates towards assessment. This may include matters to address a shift in their value of testing, issues relating to digital poverty, equity in assessment, and access.

- *Innovation:* Groundbreaking disruptive technologies on the horizon such as biometrics, artificial intelligence, and machine learning as well as new techniques in test design and delivery.

- *Personalisation:* How the industry can personalise assessments and feedback to assist candidates in learning. Looking at tailored assessment that is responsive to the needs of industry and employment.

- *Stories:* Experiences within and around the testing industry, tell us your experience of something great, inspiring, interesting or useful that we should know in 2022. Pulling in practical guidance, lessons learnt and ideas to help future assessment programmes.

- *Purpose:* Addresses the goals, business practice, standards, and policies of establishing authentic assessments for certification, qualifications and/or accreditation.

Guidance to submitters:
- Papers should speak to the conference theme described above.
- All submissions should speak to the European context. Lessons learned from other geographies are welcomed in the learning they offer to Europe, but they must be framed and articulated for a European audience.
- Preference will be given to the following:
  - Case study presentations.
  - Client Presentations or Vendor co-presentations with clients or user organisations.

Acceptance Limitations:

   A maximum of three sessions (Sessions include: Workshops, Roundtables, Panel Discussions, and Presentations) per company are permitted at the conference, and a maximum of two sessions (Sessions include: Workshops, Roundtables, Panel Discussions, and Presentations) per presenter are permitted. Virtual Coffee Conversations and Sponsor Sessions are not included in this count.

Requirements:

presenters are expected to register for the conference at the conference rate at time of registration, book and pay for their hotel room if presenting onsite, and to provide their own laptop for the presentation.

Session Types are defined as follows:
- **Workshop –** A workshop is a 60-minute session where participants will learn and interact through structured group exercises/participation. Workshops can cover a variety of topics. *These sessions will be offered as in-person only.*

- **Roundtable -** A roundtable discussion is a 45-minute structured conversation with up to three speakers that bring a variety of perspectives to a subject to discuss with an audience who may participate by asking questions or inputting comments. This session must promote attendee engagement and their participation into the discussion. *These sessions will be offered as in-person only.*

- **Presentation –** A presentation is a 45-minute lecture style session consisting of 30-minutes for content and 15-minutes of audience Q&A. Presentations provide a rounded perspective on a topic(s). Sessions include one to three presenters from a single organisation or across multiple organisations . Sessions with two or three speakers must have two different companies or organisations. *These sessions will be offered virtually or in-person.*

- **Virtual Coffee Conversation –** Coffee Conversations are virtual 45-minute informal live chats with fellow conference attendees who share common interests within the industry. These do not include presentations. These sessions are all about direct engagement and exploration of ideas. *These sessions will be offered as virtual only.*

- **Panel Discussion -** A panel discussion is a 60-minute discussion between speakers to talk through one or more session topics, provide feedback on those topics, and brainstorm solutions that may be needed for those topics. Each panel discussion must include a minimum of three presenters from two different companies or organisations. *These sessions will be offered virtually or in-person.*

- **Ignite Session –** An ignite session is a high energy and innovative way to present content in a quick and concise format. Twenty presentation slides will automatically advance in 15-second intervals for a total presentation time of five minutes in length. Presentations includes 5 minutes for Q&A following the end of the presentation slides. *This session will be offered in-person only and will take place during a general session.*

Selection of Topic Addressed:

You must select the primary topic that your submission addresses. The E-ATP 2022 Conference Committee may alter this as they review and finalise sessions.

- **Transforming**
- **Candidate**
- **Innovation**
- **Personalisation**
- **Stories**
- **Purpose**

Note: Presentation authors are reminded that submissions addressing the above topics should speak to the European context and if the subject matter is referencing other geographies, the learning offered to Europe should be clear and papers must be framed and articulated for a European audience.

Hybrid Conference Information

Since the 2022 E-ATP Conference will be hybrid you will be asked how you are willing to present. We will have sessions that will run just for in-person audience, virtual audience, and then some that we may offer to both audiences.

Proposals are due no later than 8 April 2022. Please submit proposals here. Please make sure to upload headshots for all speakers speaking in the session. We will use these for marketing materials if the session is accepted. Submitters will be notified as to whether their paper has been accepted or declined in May 2022 via email. Should you have questions, please contact Designing Events at +1-443-293-4011 or atp@designingevents.com.
